RE: Submittal of Canyon Power Plant AFC

Dear Mr. McFarlin:

In accordance with the provisions of Title 20, California Code of Regulations, Southern California Public Power Authority hereby submits this Application for Certification (AFC) seeking authority to construct and operate the Canyon Power Plant (CPP). The CPP is a proposed 200 megawatt, natural gas fired simple cycle power plant to be located within the City of Anaheim.

As the Project Manager for this project, I hereby attest to the accuracy of the contents of this AFC to the best of my ability. I look forward to working with you during the certification process.

Sincerely,

Steve Sciortino
